

Kip

**Kip has a sip.
Kip has a nip.
Kip has a rip.**

**Will Kip tip?
Kip has a dip.
Kip is a pip!**

Behind the Bed

**If a child moves his bed,
it will blow mom's mind.**

**Oh, what she will find,
when she looks behind:
a gold watch to wind,
and a lime with no rind,
an old cake with mold,
and French Toast that's cold,
an old post card of the queen,
and the most socks you have ever seen!**

**But mom is kind,
and she will not mind
all the wild things
that fell behind.**

Hank

Hank had a prank.
He would dunk his junk
in the trunk.

Plunk!

A pink hat sank into the trunk.

Plunk!

A drink sank into the trunk.

Plunk!

A SKUNK sank into the trunk.

Frank said, "Stop this prank!

You have to crank!

Do not plunk a skunk in the trunk!"
